Welcome to

KROON VEE'S ANNUAL SUMMER SALE

Every story has a beginning, and for Kroon Vee, it began with Brahman. What started years ago has grown into a lasting passion and a legacy built on dedication, vision and proven performance.

Today, we proudly continue that journey, presenting a selection of bulls that reflect years of careful breeding and a commitment to excellence.

Welcome to the next chapter of the Kroon Vee story. A legacy of performance, built for the future.

THE VAN ZYLS / KROON VEE TEAM

WINTER IS COMING. ARE YOUR VACCINATIONS UP TO DATE?

BVD is placing your herd's immunity under pressure.

Vaccinate with Hiprabovis® 4 for broad-spectrum protection — protect immune competence, support reproductive performance and maintain herd health through the winter season.

Stronger protection. Fewer losses. Healthier herd.

HIPRABOVIS® 4

Tetravalent, combined vaccine BRSV, IBR, BVD en PI-3

The advantage of **versatility**

Contact your nearest vet or the marketing agent in your area.

HIPRABOVIS® 4. Combined vaccine, IBR, PI-3, BVD and BRS viruses, in injectable suspension. COMPOSITION: Inactivated Infectious Bovine Rhinotracheitis Virus (IBR), strain LA ≥ 107 TCID50; Inactivated Parainfluenza-3 Virus (PI-3), strain SF4 ≥ 480 HAU; Inactivated Bovine Diarrhoea Virus (BVD), strain NADL ≥106 TCID50; Live Bovine Respiratory Syncytial Virus (BRSV), strain Lym-56 ≥104 TCID50. INDICATIONS: Adult cattle: Prevention of Infectious Bovine Rhinotracheitis (IBR), Infectious pustular vulvo-vaginitis (IPV) and Mucosal Disease (BVD). Calves: Prevention of Infectious Bovine Rhinotracheitis (IBR), Parainfluenza 3 (PI-3), Mucosal Disease or Bovine Viral Diarrhoea (BVD) and Pneumonia caused by Bovine Respiratory Syncytial Virus (BRSV). It can be used at any stage of pregnancy and lactation. DOSAGE: 3 ml/animal. Calves: Vaccinate with one dose at 4-6 weeks of age. Revaccinate 21 to 30 days later, especially when very young calves are vaccinated. Administer a booster vaccination once a year. Heifers: Vaccinate with one dose. Revaccinate 21 to 30 days later, one month before the first mating. Administer a booster vaccination once a year. Cows: Vaccinate with one dose. Revaccinate 21 to 30 days later. Administer a booster vaccination once a year. ROUTE OF ADMINISTRATION: Intramuscular. Into the neck muscles, or subcutaneous, into the dewlap. Dissolve the freeze-dried fraction with the liquid fraction of the vaccine and make sure it is completely resuspended before proceeding to its administration. Once the freeze-dried fraction has been resuspended, the vaccine must be administered within 3 hours. It is advisable to administer the vaccine when the liquid fraction is at a temperature between +15 °C and +25 °C. Shake before use. WITHDRAWAL PERIOD: Milk: None. Meat: 21 days. UNDESIRABLE EFFECTS: A sporadic anaphylactic reaction may appear in some sensitive animals. In such a case administer an antihistamine treatment. SPECIAL PRECAUTIONS: Store at +2 °C to +8 °C, avoiding freezing. Keep out of reach of children and uninformed persons. For more information, please refer to the insert leaflet. PACKAGING: 5 ds box (freeze-dried fraction + liquid fraction). 20 ds box (freeze-dried fraction + liquid fraction). Registration holder: Hipra Southern Africa, (Pty) Ltd.,19 Frikkie de Beer Street, Building 5, 1st Floor, Office Unit Number 02, Atterbury Estate, Menlyn, Gauteng, 0181, South Africa. Tel.: (+27)12 348 1506, southernafrica@hipra.com, www.hipra.com. Marketing Authorisation Numbers: Reg. No. G4060 (Act 36/1947). For animal use only. Use medicines responsibly.

REMARKS:	The bull with one of the best hindquarters on sale. His dam is a fertile multiple bull breeder. He is the “all-in-one”: a stud bull to breed replacement heifers or weaners for a carcass competition. He can do it all.	ICP: 387 - 8 calves

BEESVET 33+

LAAT JOU BEESTE EN JOU WINS SAAMGROEI!

Met **Molatek** se kundig geformuleerde proteïenkonsentraat, **Beesvet 33+**, is dit nie net jou vleisbeeste wat gaan spog met bultende spiere en massatoename nie ... ook jou beursie gaan bult met die ekstra wins.

- Ekonomiese vleisbeesafronding met die laagste koste per kg massatoename.
- Bevat 'n groeibevorderaar wat voeromset en groei stimuleer.
- Gebruik hoëgehalte, natuurlike proteïen wat volgens die aminosuurprofiel vir optimale karkasgroei gebalanseer word.
- Werk voedingsteurnisse en koksidiose teen.
- Verseker maksimum wins.
- Geskik vir die afronding van bulle en skoubeeste.

KROON VEE

CONDITIONS APPLICABLE TO BUYERS

DECLARATION BY OR ON BEHALF OF THE PURCHASER

1. The PURCHASER acknowledges that the conditions of sale of KROON VEE (the AUCTIONEER) as applicable to public auctions held by it, shall be applicable to the purchase of the GOODS on the reverse hereof, and that such conditions shall be binding on him as though repeated herein, provided that nothing contained herein shall in any way prejudice any obligations he may have in terms of a PURCHASER'S AGREEMENT entered into with the AUCTIONEER.

2. The PURCHASER acknowledges that he has received the GOODS described on the reverse hereof, that these are the GOODS he did indeed buy and that he is satisfied on all accounts with the condition and quality thereof and that they are suitable for the purpose for which he bought them.

3. If the PURCHASER should be a judicial body of which the signatory of this invoice is a Director, Shareholder, Member, Agent or Trustee, the signatory binds himself by and through signing the invoice to the AUCTIONEER as guarantor and joint principal debtor in solidum with waiver of the legal exceptions ordinis seu excussionis et divisionis for the proper compliance with all the obligations for payment of the amount stated in this invoice, together with any interest which may be due thereon.

4. Interest at Standard Bank's prime rate plus 5% per month, monthly compounded and calculated, will be levied on accounts not fully paid on the date of auction.

5. BUYERS and SELLERS agree for the purposes of any court cases that may arise from the buying and selling of animals to the jurisdiction of the Magisterial district. The AUCTIONEER will have the discretion of taking the case to the High Court, in which case the BUYER or SELLER'S agreement to Magisterial Jurisdiction will not be perceived as grounds for inhibiting the AUCTIONEER from recovering legal costs in accordance with the tariffs of the High Court.

6. BUYERS and SELLERS accept liability for payment of legal costs based on a scale of attorney and own client costs for purposes of any lawsuit that may result from the buying and selling of animals.

7. The undersigned binds the PURCHASER of the above-mentioned GOODS to:
– the conditions on the reverse thereof;
– an agreement with the AUCTIONEER that any outstanding amount on the invoice shall bear interest at the prime interest rate of the Standard Bank of SA Ltd plus 5% (five percent), which interest shall be capitalized monthly. The authorized representative certifies that he has authorization to buy the GOODS on behalf of the PURCHASER, to sign this invoice and to bind the PURCHASER to the conditions on the reverse side thereof. Failing such authorization, he shall be personally responsible for payment of the purchase price of the GOODS to KROON VEE on request, and shall be bound by all conditions which would have been binding on the PURCHASER as though he himself were the PURCHASER.

8. No animals will be loaded until all expenses have been paid in full or a legal agreement has been signed by both parties.

9. All risk will go to the buyer at the closing of the bid. Buyers can insure their cattle at the Kroon Vee office after the sale.

10. All online buyers must register with MEERKAT at www.meerkatonline.co.za before 12:00pm the day before the auction. We will issue you with a buyers number before auction starts.

11. All buyers from other countries than South Africa should register at www.kroonvee.com for floor bidding and at www.meerkatonline.co.za for online bidding. For new online buyers, we will require a deposit in a lawyer's trust account witch we will supply. Please contact us at gideon@kroonvee.com or at +27 82 9440 600 ASAP to finalize conditions.
